

## ***Hello!***

I'm so pleased that you're reading this - as you'll see, my vision for The Creatrix Spiral Mentoring group is to create a rich combination of inspiration, education & actual implementation (plus a touch of accountability). This is a private offer for my Substack readers. If you're interested in speaking with me before registering, please email me at [elizabeth@elizabethdesroches.com](mailto:elizabeth@elizabethdesroches.com) OR go ahead & book a [quick call](#).

\* \* \*

In September I'm opening a new mentoring group, **The Creatrix Spiral**.

I designed it for creative, spiritual women ready to see *tangible growth* in their businesses with more clients, assets & money coming into their life while also enjoying more spaciousness & ease.

*This is why I did it...*

One of the things I wish I had when I was building my first, second, even this business (my 13<sup>th</sup>), was a group where I could share my plans & get practical, valuable feedback from someone who could see the big picture & knew how to do business well.

How I longed for a place where I could ask specific questions & get real-time feedback based on where I *actually* was in business (not where I wished/imagined I was...). It would have been so nice to have real people to talk to, creatives like me who also wanted to design & build their businesses in their own way while continuing with their spiritual explorations.

I try not to think about the amount of time, money & energy I could have saved if I'd designed my online companies with the right focus & in the right order from day one!

Ah well, I've lived & learned...

**All this leads me to tell you about The Creatrix Spiral**  
**which I designed to give you all that I dreamed of...**  
**and *much* more.**

**The Creatrix Spiral** is an intimate group mentoring experience (max 8) for creative, spiritual women ready to do business in a way which celebrates their intuitive skills as much as it capitalizes on their intelligence, independence & experience. It's also for those who want to tap into an endless fount of energy & inspiration, their Creatrix State, as they continue their energetic evolution.

If you've been in my "world" for a while, you may know how much I like to do things easily & enjoy myself while I'm at it. Our calls will be light-hearted & inspiring AND filled with real tools, great strategy & plenty of "roll up your sleeves & get down to work" energy!

### **Here's what it'll be like in the Creatrix Spiral.**

My aim is to offer you a space which braids comfort & simplicity with your desire for growth in your business & life.

**We'll be focusing on** messaging, marketing, offer creation, sales systems, high quality client relations as well as enhancing your visionary skills, refining your energetic systems, designing custom tools/methods specifically for your unique work & ways to seamlessly weave creativity into all you do

You'll get everything that goes into designing & building a company which grows naturally, one step at a time.

A company which showcases your skills, interests & wisdom & allows you to share them with people who inspire & delight you.

This is the kind of company which adds to your life instead of taking it over.

### **Who will be in The Creatrix Spiral with you?**

Members of The Spiral will be entrepreneurs in the planning or early growth phases of their inspired company. They'll also be interested in accessing & maintaining "high vibrations", spending time with like-minded women, connecting with nature, tuning into their Creatrix energies and building their unique Body of Work (a new modality or framework, a book, a podcast, an artistic series, events or workshops or...).

## What to expect each month in The Creatrix Spiral

The structure of the group is super simple with TWO Zoom calls per month.

The calls will be 90 minutes on Tuesday afternoons (5 pm Paris time) during the weeks of the New & Full moons. You will always receive a recording (even if you can't attend).

\*\* See dates below.

### FIRST MONTHLY CALL

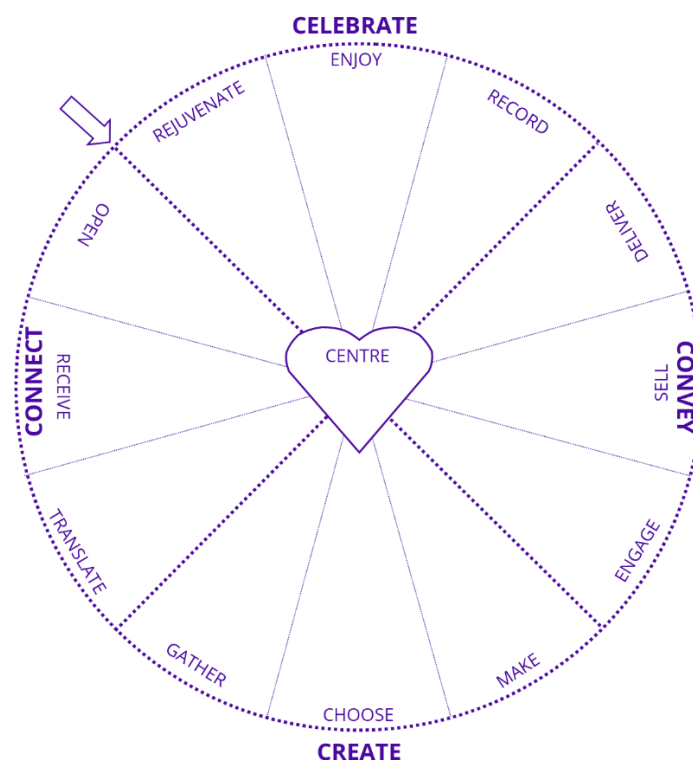

During the **first monthly call**, I'll give you a short training on one of the *13 elements* of The Creatrix Spiral (the model upon which I base my company & my life). Knowing how energy flows through your life & business gives you more clarity & confidence as you move through different phases in your life & work.

One at a time, we'll explore the key phases & elements of successful creative business design & development. Of course, there'll be energetic/strategic exercises along with opportunities to integrate new awarenesses as you consider how they might fit into your life & work.

PLUS... as always, there will be plenty of time for Q&A.

## Phases & Elements

## SECOND MONTHLY CALL

The **second call** will be devoted to *your* work, craft & life.

Ask me anything & I'll give you detailed answers along with specific examples for your particular situation & practical ways to start using them right away. Think of this as pinpoint-mentoring, customized to your *in-the-moment* needs & queries.

Then, we'll each get to work – you could write an email, refine details of a new offer, create some content, post on social media, finish up a blog post, do some deep visioning.

Dive into whatever is next on your TO DO list.

You & I can even slip into a private Zoom room, if you need a few moments of 1:1 time.

### **This is co-working at its best.**

The energy of this group will buoy you up, keep you focused & be a lot more fun than being all alone in your office trying to conjure up your first (next) clients.

At the end, if you were working on a project & would like to know how it “lands” with prospective clients, you can ask for feedback from the group. Or perhaps you'll choose to collaborate with one or more of the other members. From time to time, I'll invite a guest to share something new with us.

The Creatrix Spiral will open you to so many new opportunities.

### **Your Investment :**

Membership in **The Creatrix Spiral** runs in 6-month cycles & you can renew as many times as you'd like.

I'm offering you a special *Creatrix Spiral Founders* rate of 150 Euros per month.

This rate is available for just the **first 3 women** who register.

(Then the rate rises to 200 Euros per month).

As a Founder, if you choose to pay in full when you register (900€), you'll receive a **BONUS complimentary 60 minute 1:1 mentoring call** with me at any time during your membership. (value 160€).

[REGISTER HERE.](#)

### **OR**

You can pay for your membership in The Creatrix Spiral **monthly** over 6 months (150€ per month). Just send me an email & I'll set up a payment plan for you.

Either way, when you join The Creatrix Spiral **before September 3, 2024**, you'll also get access to any courses/workshops currently in The Creatrix Experience Shop & any I add in the coming months. (I have a stack ready & waiting ...)

## **JOIN ME in The Creatrix Spiral**

I hope you're excited at the idea of exploring your energetic systems while designing & growing your company with me & the others at your side. No more sitting all alone trying to figure out what to do next, day after day.

Join us & we'll do it together!

I've invested loads of money & decades of my life as I built my many businesses & expanded my spiritual "toolbox". I'd love to share my wisdom & insight with you to smooth your way as you enjoy your entrepreneurial experience and share your work with the world.

If you have questions or would like to chat about the group, get in touch.

I look forward to welcoming you to *The Creatrix Spiral* in September.

***Elizabeth***
